

Easy, automatic and secure cloud backup.

PROTECT YOUR BUSINESS DATA

Unlimited plan just 10 € /month per computer

Ransomware

Ransomware encrypts all your files and demands ransoms. If you use Nexetic you'll never have to pay.

Accidentally Deleted Data

Users often delete files and folders by accident. With Nexetic user can restore files easily.

Hardware Failure

Computers age and hard drives fail. With Nexetic you don't need to fear that your data will be lost when hardware breaks.

Device Migration

New computer? Not a problem. With Nexetic you can reduce time it takes to get all data to a new computer.

Theft

Your computer is replaceable, your data isn't. Protect it with automatic, continuous backup.

Accidents

Laptops are in danger especially when travelling. Get peace of mind with Nexetic.
